

Annual December Fundraising Drive

Help us Help others.

Guys with Ties is a registered 501(c)(3) non-profit organization whose mission is to raise funds and awareness for smaller charities in the greater Charlotte area.

In 2011 you helped us help Victory Junction, Student Hunger Drive, United Mitochondrial Disease Foundation, Dress for Success, Habitat Young Professionals of Charlotte, & Sharing with Shoes/A Child's Place.

With your donation this month, we look forward to another successful year of helping more local charities.
